

R03 – Chennai – Light snacker (FICTIONAL EXAMPLE)

[00:01:02] Moderator: Kavya, tell me about your evenings.

[00:01:10] Kavya: I get home by seven. Filter coffee, not chai, and maybe some murukku if my mother has made it.

[00:12:30] Moderator: Do you buy packaged snacks?

[00:12:38] Kavya: Rarely. I check the label for palm oil. If it is baked and has less salt, I might try it.

[00:30:15] Moderator: What is your first reaction to this baked snack?

[00:30:24] Kavya: Interesting. But the pack looks very North Indian, I'm not sure it is meant for us.
